Applicants must submit name before **30/06/2018,*

Only 60 limited slots available for Course Session. Book early to secure your slot

Prof. Dr. Mohd Imran Yusof
Head of Department (HOD),
Department of Orthopaedic,
Health Campus,
University Science Malaysia,

Welcome Message From HOD, Department of Orthopaedic USM

First and foremost, I would like to congratulate the organizing committee for your immense effort in organizing this national trauma course 2018. For doctors with the zeal and passion to serve, education is a lifelong endeavor. It continues on with masters followed by subspecializing, continual research and publication of work to improve the way we practice medicine and sharing of experiences through presentations and networking in scientific meetings such as this trauma course.

I hope our residents will find these sessions helpful as a preparation for BSE & CBO examinations specifically, and updating knowledge for Orthopaedic practicing doctors and surgeons in general.

Last but not least, I would like to wish all conference participants, speakers and organising committee a fruitful learning and sharing experience at this meeting.

Thank you.

Welcome Message From Past President of MOA

On behalf of Malaysian Orthopaedic Association and the Organising Committee, it is my pleasure to welcome you to the 2nd National Trauma Course 2018. Since the year 1968, the Malaysian Orthopaedic Association has been at the forefront of making information on the latest medical innovations and discoveries in the field of orthopaedics available to the Malaysian Orthopaedic Surgeon community. Throughout the years, our goal has never changed; to promote the advancement of science, arts and the practice of orthopaedic surgery and allied science as stated in the constitution.

As such, it is our responsibility as a society to ensure that the members within our community move with the times, giving them the tools to be the best orthopaedic surgeons and allied health professionals they can be. The Scientific Committee, headed by Dr Mohd Hadizie Din has worked hard this past year to deliver a programme which is well-suited for orthopaedic trainees in managing orthopaedic trauma to better serve our people. I hope our orthopaedic trainees will find these sessions helpful.

As with every conference, it is more than just attending lectures and workshops. I hope everyone makes the most of these few days to meet up with professional colleagues new and old, to refresh and strengthen our bonds of fellowship.

Do take some time outside of the conference hours to enjoy the sights, dining, snorkeling, diving, and other water sport activities that this Perhentian Island has to offer.

See you during the conference!

**Prof. Dr. Wan Faisham
Wan Ismail**
Immediate Past President of
Malaysian Orthopaedic
Association (MOA),

Welcome Message From Organising Chairman

Dear colleagues & friends,

It is our greatest pleasure to welcome you to this National Trauma Course 2018. This course is designed for master students, as well as medical doctors who have special interest in trauma. The lecture topics of this course are designed to cover the basic principle and essential knowledge in trauma surgery. We have also dedicated a series of case studies sessions (i.e. clinical examination and discussion), where the trainee will be taught on the details of clinical examination technique and surgical approaches to trauma cases. During this 3- day – 2 - night course, we hope to communicate invaluable knowledge, as well as to sharpen your examination skills.

Dr. Mohd Hadizie Din
Organising Chairman
NTC2016

Objective

- To provide knowledge in managing common and complex fracture.
- To evaluate and recognize the special problem related to fractures in the immature skeleton, pelvic injury, osteoporotic fracture, postoperative infection and nonunion
- As a preparation for post graduate students for BSE & CBO examinations specifically, and updating knowledge for orthopaedic practicing doctors and surgeons in general.

PROGRAMME OVERVIEW

Day 1 (Thursday): 26th July 2018

1400	Registration – At Wataniah Camp, Hospital Universiti Sains Malaysia (HUSM).	
1445	From HUSM to Kuala Besut Jetty	
1545	From Kuala Besut to Perhentian Island	
1700	Check in Shari-La Island Resort, Besut, Terengganu	
1730	<i>Free Activities</i>	
2000	<i>Dinner</i>	
2045	Doa Welcoming address of organizing chairman Welcoming speech head of department of Orthopedic USM Welcoming speech of President of Kelab Kebajikan Otopedik Kelantan (KKOK)	Dr. Nor Azman Dr. Hadizie Prof. Dr. Mohd Imran Yusof Prof. Dr. Amran Ahmed Shokri
2100	Keynote Lecture: Update in management of Open Fracture and Related Infection	Prof Hassan (MOA)
2130	Osteoporotic Fracture: Prevention and Treatment	Prof. Dr. Amran
2145	Approach to DVT in Trauma	Prof. Dr. Wan Faisham

Day 2 (Friday): 27th July 2018

0700	<i>Breakfast</i>	
0830	UPPER LIMB ACJ dislocation: Early vs Late Fixation	Assoc. Prof. Tengku Muzaffar
0845	Clavicle Fracture: Fix or Not?	Dr. Sahran Yahaya
0900	Proximal Humerus: To Pin, Plate or Replace	Dr. Ahmad Salehuddin
0915	Distal Humerus: Current Concept	Dr Emil Fazliq
0930	Elbow Dislocation: Simple to Complex	Prof. Dr. Wan Faisham
0945	Distal End Radius: Controversial of Intraarticular Fracture	Assoc. Prof. Dr. Nawfar
1000	Scaphoid Fracture	Dr. Mohammad Paiman
1015	<i>Tea Break</i>	
1030	LOWER LIMB Neck of Femur Fracture	Prof. Hassan
1045	Approach to Knee Dislocation	Dr Ahmad Salehudin
1100	Tibia Plateau	Dr Hadizie
1115	Pilon Fracture	Dr Sabrina
1130	Talus Fracture	Assoc. Prof. Dr. Aminuddin
1145	Q&A	All Speakers
1200	<i>Lunch</i>	
1245	<i>Friday Prayer</i>	
1500	SMALL GROUP DISCUSSION	All Speakers
1600	<i>Free Activities</i>	
2000	<i>Dinner/BBQ</i>	

Day 3 (Saturday): 28th July 2018

0700	Breakfast	
	SPINE	
0830	Cervical Injury	Dr. Joehaimey
0845	Thoracolumbar Fracture	Prof. Mohd Imran
0900	Spinal Cord Injury Rehab	Dr. Al-Hafiz
	PEDIATRIC	
0915	Supracondylar Humerus: Pink vs Pale Pulseless	Prof. Dr. Abdul Razak
0930	Femur Fracture in Pediatric: How to treat	Dr. Ismail Munajat
0945	Tea Break	
	MISCELLANEOUS	
1000	Pelvic and Acetabulum Injury: How Do I Approach	Dato' Dr. Abdul Rauf
1020	Bone Gap in Open Fracture: How to Encounter	Prof. Dr. Azhar
1035	Damage Control Orthopaedic	Assoc. Prof. Dr. Hassan
1050	Radial Head Fracture: To Fix, Resect or Replace	Prof. Dr. Wan Faisham
1105	Non Union	Dr. Shaifuzain
1115	Bone Graft, Substitute & Growth Factors	Dr. Nor Azman
1130	Q & A	All Speakers
1145	Closing speech of President of Malaysian Orthopaedic Association (MOA)	Prof. Dr. Azhar
1200	Check Out	
1215	From Perhentian Island to Kuala Besut Jetty	
1315	From Kuala Besut Jetty to HUSM	
1415	HUSM- Dismiss	

See You in 2019

SPEAKER

Dato' Dr. Abdul Rauf b. Hj. Ahmad (MOA/HTJS)
 Prof. Dr. Azhar Mahmood Merican (MOA/UM)
 Prof. Dr. Aminudin Che Ahmad (MOA / UIA)
 Prof. Dr. Mohd Imran Yusof (Spine USM)
 Prof. Dr. Amran Ahmed Shokri (Arthro USM)
 Prof. Dr. Wan Faisham Wan Ismail (MOA/USM)
 Prof. Dr. Abdul Razak Sulaiman (Paeds USM)
 Assoc. Prof. Abdul Nawfar Sadagatullah (Hand USM)
 Assoc. Prof. Dr. Ya Mohamad Hassan Shukur (MOA / UKM)
 Assoc. Prof. Dr. Tengku Muzaffar Tengku Shihabudin (Sport USM)

Dr. Ahmad Sallehuddin Yaacob (MOA/KPJ)
 Dr. Ismail Munajat (Paeds USM)
 Dr. Mohammad Paiman (Hand USM)
 Dr. Shaifuzain Ab. Rahman (Arthro USM)
 Dr. Emil Fazliq Mohd (Paeds USM)
 Dr. Nor Azman Mat Zin (OORU USM)
 Dr. Joehaimey Johari (Spine USM)
 Dr. Sahran Yahaya (OORU USM)
 Dr. Mohd Hadizie Din (Trauma USM)
 Dr. Al-hafiz Ibrahim (Rehab USM)

Committee Members

Advisor : Prof. Dr. Mohd Imran Yusof
(Head of Department of Orthopaedic, Universiti Sains Malaysia)
 Prof. Dr. Wan Faisham Nu'man Wan Ismail
(Immediate Past President of Malaysian Orthopaedic Association [MOA])
 Prof. Dr. Amran Ahmed Shokri
(President of Kelab Kebajikan Otopedik Kelantan [KKOK])

Chairman : Dr. Mohd Hadizie Din
Co-Chairman : Dr. Muhammad Rajaei Ahmad
Secretary : En. Faudzly Adi Rizal
Treasurer : Dr. Nur Sabrina Abdul Ghani
Members : Dr. Muhammad Rajaei Ahmad
 Dr. Mohd Hanifah Jusoh
 Dr. Nor Hamdan Fakru
 Dr. Muhamad Aizat Mohamed Saat
 Dr. Syurahbil Abdul Halim
 Dr. Mohd Nasrul Mohd Ghazali
 Pn. Hasni Hassan
 En. Velu V. Veeraiah

Conclusion

"2nd National Trauma Course 2018" not only as a platform to get the latest information on medical care related to Orthopaedic but also to ensure the sustainable development of professional medical practitioners who are involved directly or indirectly.
