ARTHROPLASTY & ENDOPROSTHESIS WORKSHOP [AEW 2019]

Date:

28th-29th July 2019

Venue:

Auditorium & Simulation Room,
Level 4, Trauma Block,
Hospital Universiti Sains Malaysia

Dear colleague.....

This workshop is targeted for senior orthopaedic registrars, young surgeon, arthroplasty and orthopaedic oncology subspecialty Fellows in training.

The objective of this workshop is to empower the registrars and surgeons in their training by providing hands-on skills as well as practical sessions in performing correct techniques of hip arthroplasty and endoprosthesis to ensure the best outcome for patients.

There will also be small lectures and group discussions among participants to reinforce their knowledge and skills pertaining to these topics.

We hope you'll benefit from the programme and enjoy the non- hectic life in Kota Bharu

—Prof. Wan Faisham Wan Ismail—
