Dear Friends,

It is our great pleasure to welcome you to the 5th Biennial Congress of the Asia Pacific Trauma Society (APOA 2015), which will be held in Renaissance Convention Center Hotel, Mumbai from March 13-15, 2015.

This mega event has attracted global leaders to participate and exchange expertise and to launch brilliant new ideas together. The scientific programme will focus on Symposia and Instructional Lectures given by distinguished speakers from across the world. It would, however, be incomplete without your participation, without free paper presentations and E-posters. We encourage all of you to submit abstracts of your work, so that we can put together an exceptional scientific programme.

APOA 2015 is designed for interacting with the experts from all over the globe to share and enhance knowledge on the latest international research and developments in the field of orthopaedic traumatology and for interaction among peers. Apart from the invigorating scientific programme, APOA 2015 will also offer its attendees an unforgettable cultural experience.

We would like to extend our sincere invitation to you all, to join us in APOA 2015. We are sure that this scientific extravaganza will advance orthopaedic knowledge and forge new friendships. We look forward to meeting you in March 2015 in the remarkable city of Mumbai.

Dr. Ram Prabhoo
Congress President

Dr. Jamal Ashraf
Organising Secretary

APOA President's Message

Dear Friends

It is with great pleasure that Asia Pacific Orthopaedic Association invites members of the association, affiliates of various orthopaedic associations and their family to INCREDIBLE INDIA, to attend the APOA Trauma & Infection Section Congress. This is the first combined biennial Congress co-host between the Trauma Society and Infection Section of APOA to be held in fascinating Mumbai, India on 13-15 March 2015. This meeting is not to be missed, as it will cover a diverse range of topics on upper limb, lower limb, paediatric and pelvic trauma and infection.

It is delightful to see the Organising Committee have gathered a team of experts from around the world to speak at the meeting. There will be Workshops covering difficult elbow, ankle and hip fractures. Symposia and Instructional lectures on upper and lower limb trauma, missed fractures and infection as well as paediatric, pelvic and peri prosthetic problem including post surgical infection. There will be best Trauma paper competition for the inaugural Robert Bauze Medal.

The meeting is held at Renaissance Mumbai Convention Centre Marriott Hotel, one of the most picturesque luxury hotels in Mumbai. The registration fee is a package consisted of Congress Registration, 2 or 3 night accommodation, Conference dinner and Gala Banquet and gift. There will be many social and cultural events, optional tours and shopping at the various famous Mumbai markets.

We look forward to seeing you and your family at the Meeting – you will be glad that you came and will enjoy the scientific and cultural extravaganza, local cuisine, shopping and warm Indian hospitality.

17:30 - 18:00											
19:00 - 22:00											

Scientific Presentations

The scientific committee invites high quality abstracts for scientific presentation at the conference. Communications will be accepted as podium presentations and E-poster presentations.

Categories of podium presentations are free papers and Robert Bauze Medal Papers.

Papers will be graded in a blinded fashion by our reviewers, who will be experienced and unbiased. Average marks will be considered and adjudicated by the chairman of the scientific committee.

All disputes will be subject to the decision by the organising secretary under the advise from the scientific committee and will be final & binding on all delegates.

APOA 2015 will showcase the finest of trauma papers, so make sure you send in your best.

Last date for Submission: December 31, 2014.

Submission Guidelines: Podium Presentations

- Only registered delegates will be allowed to make presentations at the conference.
- A delegate may submit more than one abstract, however he will be allowed to make only one presentation.
- Submission is only ONLINE.
- The Robert Bauze Medal Session is open only to APOA members.
- Presentations will be of 8 min duration followed by 2 min for discussion.
- Once an abstract is accepted, change / addition of authors will not be accepted.

- Certificate of presentation will be issued only to the presenting author.
- The organizing committee reserves the right to withdraw the paper at anytime.
- Acceptance will be communicated via e-mail by January 15, 2015.

Submission Guidelines: E-posters

- Submission is only ONLINE and guidelines are similar to podium presentations.
- Quality abstracts which will not be accepted for podium presentation, due to time constraints, may be accepted as E-posters after approval from the submitting author.
- All E-posters should be in MS Powerpoint format.
- E-posters will be displayed at a separate designated area.
- The E-posters should be of maximum 7 slides.
- Slide 1: Your name, institute, location, title of presentation, and E-poster number (will be communicated to you by the scientific committee).
- Slide 2-7: Scientific material.
- The scientific committee will select 10 E-posters to be considered for the Best poster award. This will be communicated to the authors in advance. Authors will be required to be present at a stipulated time to explain the same to the judges.

2015 Musculoskeletal Infection Best Paper Award

- An Award of US\$5,000 is available for the Best Musculoskeletal Infection Paper. This is open to all surgeons and scientists with an interest in musculoskeletal infection.
- Applicants must submit the complete text of a paper ready for publication.

Scientific Presentations

- The paper can be either clinical or basic science that is relevant to the infection of the musculoskeletal system.
- The winners of the prize will be announced at the APOA 2015 Conference.
- Judges will be blinded and selected from International Experts in the field.
- SPONSORSHIP: The award is fully funded by Pfizer.
- Panel of Judges: A panel of judges will be selected by the Education Committee of the APOA. The panel of Judges decision will be final.
- **Last date of submission: December 31, 2014**
- We require electronic submission of your abstract via our online submission system. Any graphic or table must fit within the margins and format outlined below.

Submission Guidelines

- No limit is imposed on the number of abstracts submitted by individuals.
- Abstracts must be accompanied by payment of registration fees.
- Scheduling details and guidelines for the final preparation of accepted presentations will be included with the notification of acceptance. The final selection will be the responsibility of the Scientific Committee.
- Financial Disclosure is required for EACH author.
- You must have the last name and email address for every co-author on the abstract.
- If all disclosures are not submitted, the abstract will not be considered for review.

Imagination Unlimited

Two minutes of podium time will be given to each speaker. A maximum of 8 slides or 2 minute video presentation will be allowed to be projected.

The presentation must pertain to:

- A new idea
- A new implant
- A simplification or modification of technique
- An unusual finding, behavior of a known condition
- Any interesting orthopedic observation
- A short study or early results of a study
- An early report of new or rare procedures

While it may not strictly be evidence based, it should certainly be useful, promising and must enjoy your conviction.

There will be no discussion after the presentation.

What is the purpose of this session?

This session is designed to encourage wider participation. This session can act as a sounding board for new ideas. It attempts to bridge the gap between not presenting a paper and presenting one! There are so many ideas that we feel are not enough to present as a paper but we also feel that it needs to be disseminated to a wider audience to benefit many.

So whatever is that idea that's been in your head for all these years, whatever it is that you always wanted to tell others but did not have the stage to do it, here's the opportunity. At APOA 2015 !!

Go on, write up a brief abstract with a couple of photos and mail it to: **apoa2015@gmail.com**

A panel of judges will select the most interesting and unusual ones for presentation.

Registration Package Indian Delegates

Residential Package: 3 Nights & 4 Days (March 12 - 15)

Category	1 st November to 31 st December	1 st January to 28 th February	Late & Spot

Venue: Renaissance Mumbai Convention Centre Hotel

Renaissance Mumbai Convention Centre Hotel is a luxury hotel of the Marriott group, catering to the discerning traveller. Nestled on the banks of Powai Lake, it is in close proximity to Mumbai's domestic and international airports.

The property offers 583 well-appointed, ergonomically designed guest rooms, suites and duplexes to help you unwind after a long day of sightseeing or meetings.

The Hotel also boasts a 12,500-square-foot Executive Lounge, the largest of its kind in the country.

Renaissance Mumbai Convention Centre Hotel has 230,000 square feet of indoor and outdoor event space to cater to large international scientific conferences.

When looking for a bite to eat, excite your palate with a wide range of dining options including Chinese, Indian and Italian cuisine. Guests can also revive their mind and body at Club Renaissance & Spa.

About Mumbai

Formerly called Bombay, Mumbai is one of the most happening cities in India. Mumbai is a busy metropolis, nevertheless, it is a tourist hot-spot because of its energy and vigor. Dubbed as the commercial capital of India, the city is home to some of India's largest corporate houses.

Mumbai is a wonderful tourist destination. This erstwhile insignificant port city has now developed to become one of the foremost metropolis of the world. Other than the charms of being in a beautiful metropolis, Mumbai has monuments of historical importance. The Gateway Of India is one such magnificent monument and prime tourist attraction in the city. The city also has wonderful beaches and these beaches have become wonderful leisure spots for people.

The city also has a multi-million dollar film-making industry. If there is ever a place other than Hollywood which attracts tourists because of glamour business, then it has to be Mumbai. Popularly referred to as Bollywood, Mumbai film industry is not only big but also very charismatic. Every year a number of Hindi pot-boilers are produced here. The actors and actresses enjoy a massive fan following throughout India as well as abroad.

As the capital city of the state of Maharashtra, Mumbai is politically one of the most important cities in western India. It also has its own culture, traditions and festivals. This busy metropolis comes to a screeching halt during the Ganesh Chaturthi. The people in this part of the country speak Maratha but like a true cosmopolitan city, Mumbai is a fine melting pot where you will find people from different parts of India living in harmony in spite of the difference in language, dress codes and food habits. English is understood and spoken by a large number of people. It will not be very difficult, therefore, to overcome this problem of communication.
