Registration will be closed on 10<sup>th</sup> December 2021 at 1159pm

**Prof. Dr. Amran  
Ahmed Shokri**  
Head of Department, Department  
of Orthopaedic, USM

## Welcome Message From HOD, Department of Orthopaedic USM

*First and foremost, I would like to congratulate the organizing committee for your immense effort in organizing this Advanced Trauma Fixation & Replacement Workshop 2021. For doctors with the zeal and passion to serve, education is a lifelong endeavor. It continues on with masters followed by subspecializing, continual research and publication of work to improve the way we practice medicine and sharing of experiences through presentations and networking in scientific meetings such as this course.*

*I hope our residents will find these sessions helpful as a preparation for BSE & CBO examinations specifically, and updating knowledge for Orthopaedic practicing doctors and surgeons in general.*

*Last but not least, I would like to wish all workshop participants, speakers and organising committee a fruitful learning and sharing experience at this meeting.*

*Thank you.*

## Welcome Message From President of MOA

*On behalf of Malaysian Orthopaedic Association and the Organising Committee, it is my pleasure to welcome you to the Advanced Trauma Fixation & Replacement Workshop 2021. Since the year 1968, the Malaysian Orthopaedic Association has been at the forefront of making information on the latest medical innovations and discoveries in the field of orthopaedics available to the Malaysian Orthopaedic Surgeon community. Throughout the years, our goal has never changed; to promote the advancement of science, arts and the practice of orthopaedic surgery and allied science as stated in the constitution.*

*As such, it is our responsibility as a society to ensure that the members within our community move with the times, giving them the tools to be the best orthopaedic surgeons and allied health professionals they can be. The Scientific Committee, headed by Dr Mohd Hadizie Din has worked hard this past year to deliver a programme which is well-suited for orthopaedic personnel in managing orthopaedic trauma to better serve our people.*

*As with every conference, it is more than just attending lectures and workshops. I hope everyone makes the most of these few days to meet up with professional colleagues new and old, to refresh and strengthen our bonds of fellowship.*

*Thank you.*

**Dr Suhail Abdullah @  
Suresh Kumar**  
President of Malaysian  
Orthopaedic Association  
(MOA)

## Welcome Message From Organising Chairman

*Dear colleagues & friends,*

*It is our greatest pleasure to welcome you to this Advanced Trauma Fixation & Replacement Workshop 2021. This course is designed specially for anybody who has special interest in the management of trauma. This course is mainly focusing on special topics related to the specific periarticular trauma of the lower limb. It is a blended virtual course comprise of lectures, case discussion and demonstration of the selected fracture fixation in the workshop session. We have invited national and international distinguished expert in the field of trauma and hopefully throughout this 2- days course, we are able to communicate invaluable knowledge, as well as to sharpen our clinical skills.*

*Thank you.*

**Dr. Mohd Hadizie Din**  
Organising Chairman  
Advanced Trauma Fixation &  
Replacement Workshop 2021

## Objective

- To provide knowledge in managing common and complex fracture.
- To evaluate and recognize the special problem related to periarticular fractures related to lower limb
- As a preparation for post graduate students for BSE & CBO examinations specifically, and updating knowledge for orthopaedic practicing doctors and surgeons in general.

# PROGRAMME OVERVIEW

## Day 1 (Saturday): 18<sup>th</sup> December 2021

0800	<i>Welcoming address of organizing chairman &amp; introduction to the course</i> <i>Welcoming speech of Head of Department, Department of Orthopaedic USM</i>	Hadizie  Amran
<b>HOW TO DEAL WITH NECK OF FEMUR FRACTURE</b> (NONUNION/ IMPLANT FAILURE & AVN IN YOUNG PATIENT) <i>Moderator : Hanifah</i>		
0815	How to get good reduction and choice of implant?	Aizat
0835	Reason for failure and how to deal with it	Nazari
0855	Role of arthroplasty in young patient	Azeta
0915	Q&A session	
<b>INTERTROCHANTERIC AND SUBTROCHANTERIC FRACTURE</b> <i>Moderator : Aizat</i>		
0930	Tip and trick in reduction and how to maintain it	Rajaei
0950	Decision making- fix or replace	Hadizie
1010	The role of endoprosthesis in managing IT fracture	Sahran
1030	Q&A session	
<b>INTRAARTICULAR DISTAL FEMUR FRACTURE</b> <i>Moderator : Hamdan</i>		
1045	Tip and trick to get it right in the first surgery	Emil
1105	Bail out surgery for distal femur	Syurahbil
1125	Q&A session	
1140	<i>Break / Rest</i>	
<b>CASE DISCUSSION</b>		
1145	Case discussion 1	All Speaker Day 1
1205	Case discussion 2	
1225	Case discussion 3	
1245	Case discussion 4	
	<i>Lunch break and prayer</i>	
<b>WORKSHOP SESSION</b>		
1400	Workshop 1 (Proximal femur fixation)	Hadizie
1500	Workshop 2 (Proximal femur endoprosthesis)	Sahran
1600	Q&A and summary of day 1	
1630	<i>End of day 1</i>	

## Day 2 (Sunday): 19<sup>th</sup> December 2021

<b>TIBIAL FRACTURE</b> <i>Moderator : Hanifah</i>		
0800	Understanding tibial plateau fracture and fixation strategies	Muzaffar
0820	Managing soft tissue defect in tibial injury	Arman
0840	Role of LLRS	Rohaman
0900	Bail out surgery	Faisham
0920	Q&A session	
<b>FOOT &amp; ANKLE FRACTURE</b> <i>Moderator : Aizat</i>		
0935	Understanding pilon fracture and planning of surgery	Sabrina
0955	Tip and trick in avoiding complication in pilon fracture	Azamuddin
1015	Principle of managing foot trauma	Chua
1035	Q&A session	
1050	<i>Break / Rest</i>	

**SPECIAL ISSUES***Moderator : Hamdan*

1100	Special issue 1 (3D printing in trauma)	Nor Azman
1120	Special issue 2 (Vascular injuries in lower limb)	Mohammad
1120	Q&A session	

**CASE DISCUSSION**

1130	Case discussion 5	All Speaker Day 2
1150	Case discussion 6	
1210	Case discussion 7	
1230	Case discussion 8	
	<i>Lunch break and prayer</i>	

**WORKSHOP SESSION**

1400	Workshop 3 (Distal femur fixation)	Emil
1500	Workshop 4 (Knee endoprosthesis)	Faisham
1600	Q&A and summary of day 2	
1630	<i>Closing</i>	

**SPEAKER & INSTRUCTOR**

Prof. Dr. Wan Faisham Wan Ismail-(HUSM)

Prof. Dr Arman Zaharil Mat Saad-(MSU)

Assoc. Prof. Dr. Tg Muzaffar Tg Mohamed Shihabudin-(HUSM)

Dr, Azeta Arif SpOT (K)-(Santosa Hospital Bandung Central)

Dr. Rohaman Tasarib-(An-Nur Specialist Hospital)

Dr. Azammuddin Alias (UPMMC)

Dr. Nazari Ahmad-(HUSarawak)

Dr. Chua Yeok Pin - (Sunway Medical Center)

Dr. Nor Azman Mat Zin-(HUSM)

Dr. Mohammad Paiman-(HUSM)

Dr. Emil Fazliq Mohd-(HUSM)

Dr. Sahran Yahaya-(HUSM)

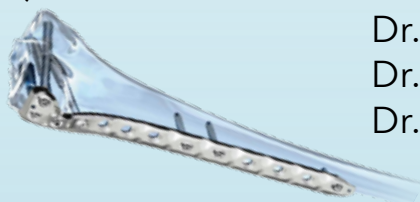

Dr. Mohd Hadizie Din-(HUSM)

Dr. Nur Sabrina Abdul Ghani-(HUSM)

Dr. Muhammad Rajaei Ahmad-(HUSM)

Dr. Syurahbil Abdul Halim-(HUSM)

Dr. Muhamad Aizat Mohamed Saat-(HUSM)

**COMMITTEE MEMBERS**

**Advisor** : Prof. Dr. Amran Ahmed Shokri  
*(Head of Department of Orthopaedic,  
Universiti Sains Malaysia)*  
Dr Suhail Abdullah @ Suresh Kumar  
*(President of Malaysian Orthopaedic  
Association [MOA])*  
Dr. Joehaimey Johari  
*(President of Kelab Kebajikan Otopedik  
Kelantan [KKOK])*

**Chairman** : Dr. Mohd Hadizie Din**Scientific****Chairman** : Dr. Sahran Yahaya**Secretary** : Dr. Muhammad Rajaei Ahmad**Treasurer** : Dr. Nur Sabrina Abdul Ghani

**Moderator** : Dr. Mohd Hanifah Jusoh  
Dr. Nor Hamdan Farku  
Dr. Muhamad Aizat Mohamed Saat

**Technical Crew** : Dr. Syurahbil Abdul Halim  
Dr. Muhamad Ashraf Mohamed Saat  
Dr. Abdul Hakim Fikry Kamaluddin  
Dr. Mohd Nasrul Mohd Ghazali

**Registration** : Dr. Mohd Hafizuddin Mohd Salled

**Liaison Officer** : Dr. Ummi Fatisya Ahmad  
Pn. Nur Shuhada Mazlan

**Logistic** : En. Faudzly Adi Rizal  
En. Mohd Azlan Mohd Pauzai

**CONCLUSION**

" Advanced Trauma Fixation & Replacement Workshop 2021" not only as a platform to get the latest information on medical care related to Orthopaedic but also to ensure the sustainable development of professional medical practitioners who are involved directly or indirectly.

**FEES**

Surgeon/ Specialist : RM 120

Medical Officers / House Officers / Allied Health Professionals : RM100

Allied Health Support Staff / Nurse : RM 60
