ORTHOPAEDIC CONGRESS**

AUGUST 10-13, 2016 | HILTON WAIKOLOA
ON THE BIG ISLAND OF HAWAII

www.icjr.net/2016panpac

HIGHLIGHTS

- Multiple podium presentation opportunities for cutting edge research
- Five research awards for top papers
- Varying opportunities to interact with faculty of 30 orthopaedic experts from around the world
- Lively debates, case presentations, surgical vignettes and quick-fire panels
- Awards for Poster and Oral Presentations

MD, PhD
LaQuinta, CA, USA

Dear Colleagues and Friends,

On behalf of the International Congress for Joint Reconstruction (ICJR), we would like to cordially invite you to join us for the 3rd Annual ICJR Pan Pacific Orthopaedic Congress, scheduled to be held August 10-13, 2016 at the Hilton Waikoloa Village on the Big Island of Hawaii.

In its 3rd year, this meeting continues to generate great feedback that we have once again incorporated into our planning to offer orthopaedic surgeons and researchers alike another great meeting.

Join your colleagues from the US and Pan Pacific Region at this congress designed to integrate research interests across multiple continents and to engage clinicians and engineers in discussions about the future of orthopaedics. The dynamic 4-day agenda will continue to expand our global understanding of key issues in hip and knee reconstruction and this year, we've added multiple sessions and talks related to non-arthroplasty options in orthopaedics.

In addition to standard didactic presentations, panel discussions, and poster presentations, we will once again host a session involving leading management from multiple orthopaedic manufacturers to get their take on the evolving orthopaedic landscape.

We are accepting abstracts for podium and poster presentation with numerous awards to be given for outstanding research and presentations.

We look forward to seeing you on the Big Island for an outstanding orthopaedic educational program in a beautiful Hawaiian setting.

Aloha,
Course Co-Chairmen

Matthew S. Austin, MD

Kazuo Hirakawa, MD, PhD

Richard D. Komistek, PhD

Rajesh N. Maniar, MS, MCh

Raj K. Sinha, MD, PhD

GUEST FACULTY

Dae Kyung Bae, MD, PhD
Seoul, Korea (South)

Warwick Bruce, MB, BS,
FRACS, FAOrthA
Sydney Olympic Park, NSW, Australia

Ken Cherry, MD
State College, Pennsylvania, USA

Nicolaas Cyrillus
Budhiparama, MD
Jakarta, Indonesia

Harold E. Cates, MD
Knoxville, Tennessee, USA

Charles DeCook, MD
Atlanta, Georgia, USA

Douglas A. Dennis, MD
Denver, Colorado, USA

Anthony K. Hedley, MD, FRCS
Phoenix, Arizona, USA

Stephen M. Howell, MD
Sacramento, California, USA

Yutaka Inaba, MD, PhD
Yokohama, Japan

Donald M. Kastenbaum, MD
New York, New York, USA

PRELIMINARY AGENDA

Main Session	Breakouts
WEDNESDAY, AUGUST 10	
2:00 PM Registration	
3:00 PM Enhanced Recovery Arthroplasty Session	
5:00 PM Welcome Reception	
THURSDAY, AUGUST 11	
5:30 AM Breakfast/Registration	
6:30 AM TKA Panel Discussions: • Primary TKA • Revision TKA	THA Complications (6 talks)
7:30 AM TKA Alignment	THA Outcomes & Survivorship
8:30 AM TKA Debates	Hip Kinematics
9:30 AM Coffee Break	
10:00 AM The Asian Knee	Hip Imaging
11:00 AM	1. PSI 2. Modeling & New Technology 3. Shoulder Arthroplasty
12:00 PM Lunch Workshop(s)	
1:00 PM Poster Session and Bronze Podiums	
2:00 PM	1. Computer Navigation & Robotics 2. Why are There Still Failures?
FRIDAY, AUGUST 12	
5:30 AM Breakfast/Registration	
6:30 AM THA Panel Discussions: • Primary THA • Revision THA	What About the Patella?

Main Session	Breakouts
FRIDAY CONTINUED	
7:30 AM THA Surgical Techniques & Approaches	Retaining the ACL: TKA and Uni's
8:30 AM THA Debates	TKA Customization
9:30 AM Coffee Break	
10:00 AM	1. The True Cause of Taper Concern: Design, Manufacturing, or Assembly? 2. Factors Influencing TKA Results 3. Arthroscopic Hip Preservation Surgery
11:00 AM	1. Non-implanted Knee 2. Open Hip Preservation Surgery
12:00 PM Lunch Workshop(s)	
1:00 PM Poster Session and Bronze Podiums	
SATURDAY, AUGUST 13	
5:30 AM Breakfast/Registration	
6:15 AM Welcome Address	
6:30 AM Knee Kinematics	Knee Design
7:30 AM Panel Discussions: • Dealing with Infection • Perioperative Issues	Hip Design
8:30 AM Hip Bearing Surfaces	Future of Orthopaedics
9:30 AM Coffee Break	
10:00 AM	1. Knee Anatomy 2. THA Component Positioning 3. Shoulder
11:00 AM	1. Hip Anatomy 2. TKA Complications 3. Small Joints
12:00 PM	1. TKA Design Factors 2. THA Design Factors 3. Gender & Ethnicity

NOW ACCEPTING ONLINE ABSTRACT SUBMISSIONS FOR PODIUM AND POSTER PRESENTATIONS.
SPACE IS LIMITED!

2016 ABSTRACT AWARDS

- Clinical Research Award - \$1,000
- Basic Science Research Award - \$1,000
- Surgical Impact Research Award - \$1,000
- Hip Student/Fellow Research Award - \$500
- Knee Student/Fellow Research Award - \$500

SUGGESTED TOPICS

HIP

- Wear testing & simulations
- Kinematics & hip separation
- Biomechanics: Implanted & non-implanted
- Dislocation prevention
- Fixed & dual mobility bearings in THA
- Clinical follow-up studies
- Functional outcomes
- Implant fixation
- Alternative bearings
- Resurfacing
- Revision implants & results
- Short stems
- Tapers & modularity
- New technologies
- Surgical techniques
- Gender & ethnicity
- Acetabular labrum repair

KNEE

- Wear testing & simulations
- Biomechanics: Implanted & non-implanted
- Fixed & mobile bearings in TKA
- Clinical follow-up studies
- Patellofemoral
- Functional outcomes
- Implant design
- Implant fixation
- Retrieval analysis
- Kinematics
- Patient-specific instruments
- Implant alignment
- Revision implants & results
- Soft tissue balancing
- Surgical technologies & techniques
- Unicompartmental knee arthroplasty
- Gender & ethnicity
- Shoulder, Ankle, & Wrist
- Anatomic studies

- Biomechanics: Fixation & wear
- Implant design
- Clinical follow-up & functional results
- Failures
- Shoulder labrum repair

OTHER

- Emerging technologies in arthroplasty (robotics, sensors, navigation)
- Non-arthroplasty procedures in orthopaedics
- Operating room & practice management efficiencies
- Bone & joint preservation
- Supportive care: Infection, pain, DVT prophylaxis
- Global practices & economics
- Imaging & measurements
- Diagnostic care
- Use of antibiotics
- Perioperative blood management
- Pseudotumor formation & its treatment

Acceptance of paper for presentation is contingent upon meeting registration within 30 days of acceptance notification.

REGISTRATION

On or before August 10, 2016*

	Member	Non-member
MD/PHD/ENGINEER	\$895	\$995
ALLIED HEALTHCARE	\$695	\$795
FELLOW OR RESIDENT	\$195	\$195
INDUSTRY	\$895	\$995
ACCOMPANYING GUEST**	\$250	\$250

*All onsite registrations will incur an additional \$100 fee.

**Guest Registration includes access to all organized meal functions, including breakfasts, breaks and receptions.

IMPORTANT DATES!

February 15, 2016	Abstract Submission Deadline
March 31, 2016	Abstract Acceptance Notification
July 10, 2016	Room Block Expires
August 10, 2016	Congress Convenes

ABOUT THE INTERNATIONAL CONGRESS FOR JOINT RECONSTRUCTION (ICJR)

ICJR is an independent, membership-based 501(c)(3) non-profit organization with a mission to offer contemporary orthopaedic education, create a global orthopaedic community, and support orthopaedics and related healthcare issues through philanthropic endeavors. The predominant focus of ICJR philanthropy has and will continue to be toward resident and fellows education.

Through collaborations with leading clinicians, societies, and companies in the field of orthopaedics, ICJR offers dozens of live and web-based interactive educational (continuing medical education accredited) programs around the world each year.

ICJR Live meetings span the globe with meetings in Australia, China, Europe, Japan, the Middle East, Southeast Asia, South America, and the United States. Attended by

thousands of orthopaedic surgeons, our live conferences feature broadcasts of live surgeries, didactic lectures, debates, poster presentations, interactive case review workshops, and cadaver/human tissue labs. Web-based educational offerings include topic-specific didactic presentations and discussions, review articles, surgical videos, as well as simulcasts from many of our live conferences.

TRAVEL AND HOTEL

Attendees are responsible for their own travel arrangements. A limited number of rooms has been blocked at the Hilton Waikoloa Village Resort. To reserve your room at the discounted rate, contact the resort directly and indicate that you are attending the ICJR Pan Pacific Orthopaedic Congress.

THE HILTON WAIKOLOA VILLAGE
Phone: +001-808-886-1234
www.hiltonwaikoloavillage.com

SPECIAL ICJR GROUP RATE

- \$239.00 USC/night (Rate guaranteed until July 10, 2016, or while supplies last!)
- Congress rates are available 3 days before and after the congress

LIMITED OFFER!

- Discounted room rates while supplies last!
- Register for the congress and reserve your room by no later than March 31st to be entered into a drawing for one of the following prizes:
 - 2 – Dolphin Encounters for two – Swim with the Dolphins!
 - 3 – Ocean Sports Gold Wristbands for 2 – Good for 5 days of unlimited snorkeling, lagoon beach toys and paddle boarding
 - 1 - Signature Spa Treatment

SAVE UP TO 20% ON TRAVEL WITH THE STAR ALLIANCE NETWORK

ICJR is pleased to have appointed The Star Alliance member airlines as the Official airline network for the Pan Pacific Orthopaedic Congress.

Registered event participants plus one accompanying person travelling to the event qualify for a discount of up to 20%, depending on fare and class of travel booked. To take advantage of these discounts for travel to/from Hawaii please go to the travel page on the meeting website and follow the link provided.
