THE 1ST AO TRAUMA ROADSHOW PENANG 2016

The Department of Orthopaedics and Trauma Hospital Penang with the support of AO Trauma Foundation Malaysia is proud to bring the AO Trauma Roadshow 2016 to Penang General Hospital.

The aim of this course is to educate the new orthopaedic Medical Officers and Operation Room Personnel about the importance of basic knowledge in understanding the concepts of treatment in Orthopaedic trauma and also the basic implants that is used during operative fracture fixation.

The new medical officers especially in northern region and the operation room personnel (paramedics) are the target group that is invited to attend this course.

The course is fully sponsored by AO Trauma Foundation Malaysia. Our local faculty speakers will be attending the course with our AO representatives. The course will be guidance to our medical officer prior to attending the AO Basic Trauma Course in the future.

The course registration fee will be RM 100.00 for Medical Officers and RM 50.00 for paramedics. However very limited seats will be available for each. Thus we encourage early registration for the course seats.
